

# Virtualrain™ ADVANTAGE

Earn rewards on your purchases of leading brands that you use every day, exclusively at Hydro-Scape Products.

Introducing the Virtualrain Advantage Program, a powerful new alliance of the industry's leading brands. This program provides a benefits-rich opportunity to earn valuable rewards on your purchases of a complete range of popular brands.

Every dollar that you spend at Hydro-Scape on the comprehensive line-up of brands earns you a reward point. The program includes products you use every day, so you can quickly earn exciting travel and merchandise as a reward for your loyalty.

### Check out these important program benefits:

- Earn points quickly thanks to the wide range of brands you use regularly. Products included are pipe, wire, fittings, solvents, tools, valves, landscape lighting, drainage, backflow preventers, valve boxes, water gardening and more!
- Choose from an exciting selection of rewards. Treat yourself or your family to exciting travel and merchandise rewards. Build your business with tools, computers and office equipment.
- No product mix requirements. Mix and match from the product lines in the program. The more you buy, the more rewards you earn.
- Nothing to track. Hydro-Scape automatically tracks your participation and provides you with regular updates on your earnings. Use your points right away, or let them accumulate over time to earn even bigger rewards.

Make the right decision for your business and join an exclusive group of contractors that have made Hydro-Scape their most valuable business partner.

### Benefits of Membership:

- Earn rewards on items you already buy
- Save points for quality rewards
- Receive VIP treatment from Hydro-Scape
- Receive special offers from participating brands
- Network with other leading companies
- Benefit from a strategic supplier relationship

### Frequently Asked Questions

#### How do I earn points?

Points are added to your account with every purchase that you make from Hydro-Scape of these leading brands. The more you buy, the more you earn. Earn points across a wide array of products you already use on every project.

#### How can my Hydro-Scape representative help me increase my point earnings?

Your Hydro-Scape representative can analyze your current purchase habits and identify opportunities to increase your point earnings by directing your purchases to brands included in the program.

#### How will I be updated on my point earnings?

Your Hydro-Scape representative will keep you updated on your point balance and will also inform you of special offers from the participating brands that can accelerate your earnings.

#### How do I use my points?

Points can be redeemed anytime after the first year vesting period. Ask for a copy of the rewards catalog so you can browse valuable rewards for yourself, your family and your business.

#### How do I join the program?

Participation in the program is being offered exclusively to contractors that have committed to partnering with Hydro-Scape as their strategic supplier. Join the exclusive group of quality companies that are benefiting from the program and from the superior service that Hydro-Scape provides.
